11 expenses incurred by them in the performance of their duties. No major party shall be
12 represented on the committee by more than three members from the senate nor by more
13 than three members from the house. The committee is authorized to meet and act year
14 round and to employ the necessary personnel within the limits of appropriations. The staff
15 of the committee on legislative research, house research, and senate research shall provide
16 necessary clerical, research, fiscal, and legal services to the committee, as the committee
17 may request.

18 2. It shall be the duty of the committee:

19 (1) To make a continuing study and analysis of the current and proposed tax policy
20 of this state as it relates to:

21 (a) Fairness and equity;

22 (b) True economic impact;

23 (c) Burden on individuals and businesses;

24 (d) Effectiveness of tax expenditures;

25 (e) Impact on political subdivisions of this state;

26 (f) Agreements and contracts with the federal government, other states and
27 territories, political subdivisions, and private entities relating to the collection and
28 administration of state and local taxes and fees;

29 (g) Compliance with the state and United States Constitution and federal and
30 international law; and

31 (h) The effects of interstate commerce;

32 (2) To make a continuing study and review of the department of revenue, the
33 department of economic development, the state tax commission, and any other state
34 agency, commission, or state executive office responsible for the administration of tax
35 policies, including the internal organization, management, powers, duties and functions of
36 the departments, commissions, and offices;

37 (3) To study the effects of the coupling or decoupling with the federal income tax
38 code as it relates to the state income tax;

39 (4) To make recommendations, as and when the committee deems fit, to the general
40 assembly for legislative action or to report findings and to the departments, commissions,
41 and offices for administrative or procedural changes; and

42 (5) To study the effects of a sales tax holiday.

43 3. All state departments, commissions, and offices responsible for the
44 administration of tax policies shall cooperate with and assist the committee in the
45 performance of its duties and shall make available all books, records and information

46 requested, except individually identifiable information regarding a specific taxpayer. The
47 committee may also consult with public and private universities and academies, public and
48 private organizations, and private citizens in the performance of its duties. The committee
49 may contract with public and private entities, within the limits of appropriation, for
50 analysis and study of current or proposed changes to state and local tax policy. The
51 committee shall have the power to subpoena witnesses, take testimony under oath, compel
52 the attendance of witnesses, the giving of testimony and the production of records.

34.040. 1. All purchases in excess of three thousand dollars shall be based on
2 competitive bids, except as otherwise provided in this chapter.

3 2. On any purchase where the estimated expenditure shall be twenty-five thousand
4 dollars or over, except as provided in subsection 5 of this section, the commissioner of
5 administration shall:

6 (1) Advertise for bids in at least two daily newspapers of general circulation in such
7 places as are most likely to reach prospective bidders and may advertise in at least two weekly
8 minority newspapers and may provide such information through an electronic medium available
9 to the general public at least five days before bids for such purchases are to be opened. Other
10 methods of advertisement, which may include minority business purchase councils, however,
11 may be adopted by the commissioner of administration when such other methods are deemed
12 more advantageous for the supplies to be purchased;

13 (2) Post a notice of the proposed purchase in his or her office; and

14 (3) Solicit bids by mail or other reasonable method generally available to the public from
15 prospective suppliers. All bids for such supplies shall be mailed or delivered to the office of the
16 commissioner of administration so as to reach such office before the time set for opening bids.

17 3. The contract shall be let to the lowest and best bidder. The commissioner of
18 administration shall have the right to reject any or all bids and advertise for new bids, or purchase
19 the required supplies on the open market if they can be so purchased at a better price. When bids
20 received pursuant to this section are unreasonable or unacceptable as to terms and conditions,
21 noncompetitive, or the low bid exceeds available funds and it is determined in writing by the
22 commissioner of administration that time or other circumstances will not permit the delay
23 required to resolicit competitive bids, a contract may be negotiated pursuant to this section,
24 provided that each responsible bidder who submitted such bid under the original solicitation is
25 notified of the determination and is given a reasonable opportunity to modify their bid and
26 submit a best and final bid to the state. In cases where the bids received are noncompetitive or
27 the low bid exceeds available funds, the negotiated price shall be lower than the lowest rejected
28 bid of any responsible bidder under the original solicitation.

29 4. All bids shall be based on standard specifications wherever such specifications have

30 been approved by the commissioner of administration. The commissioner of administration shall
31 make rules governing the delivery, inspection, storage and distribution of all supplies so
32 purchased and governing the manner in which all claims for supplies delivered shall be
33 submitted, examined, approved and paid. The commissioner shall determine the amount of bond
34 or deposit and the character thereof which shall accompany bids or contracts.

35 5. The department of natural resources may, without the approval of the commissioner
36 of administration required pursuant to this section, enter into contracts of up to five hundred
37 thousand dollars to abate illegal waste tire sites pursuant to section 260.276, RSMo, when the
38 director of the department determines that urgent action is needed to protect public health, safety,
39 natural resources or the environment. The department shall follow bidding procedures pursuant
40 to this section and may promulgate rules necessary to establish such procedures. Any rule or
41 portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the
42 authority delegated in this section shall become effective only if it complies with and is subject
43 to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This
44 section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the
45 general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to
46 disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
47 authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

48 **6. The commissioner of administration and other agencies to which the state**
49 **purchasing law applies shall not contract for goods or services with a vendor if the vendor**
50 **or an affiliate of the vendor makes sales at retail of tangible personal property or for the**
51 **purpose of storage, use, or consumption in this state but fails to collect and properly pay**
52 **the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the**
53 **vendor" shall mean any person or entity that is controlled by or is under common control**
54 **with the vendor, whether through stock ownership or otherwise.**

71.620. 1. Hereafter no person following for a livelihood the profession or calling of
2 minister of the gospel, duly accredited Christian Science practitioner, teacher, professor in a
3 college, priest, lawyer, certified public accountant, dentist, chiropractor, optometrist, chiropodist,
4 [or] physician or surgeon **or investment funds service corporation as defined in section**
5 **143.451, RSMo**, in this state, shall be taxed or made liable to pay any municipal or other
6 corporation tax or license fee of any description whatever for the privilege of following or
7 carrying on such profession or calling, any law, ordinance or charter to the contrary
8 notwithstanding.

9 2. No person following for a livelihood the profession of insurance agent or broker,
10 veterinarian, architect, professional engineer, land surveyor, auctioneer, or real estate broker or
11 salesman in this state, shall be taxed or made liable to pay any municipal or other corporation

12 tax or license fee for the privilege of following or carrying on his profession by a municipality
13 unless that person maintains a business office within that municipality.

92.250. The earnings or net profits subject to tax of any nonresident individual, of any
2 association or business conducted by nonresidents, or of any corporation, in any case in which
3 the work done, services performed or rendered, and business or other activities conducted or
4 done, performed, rendered or conducted both within and without the city may be ascertained by
5 formulae set forth in any ordinance enacted pursuant to sections 92.210 to 92.300 or prescribed
6 by rules or regulations adopted pursuant to the ordinance; **provided, however that in**
7 **determining its net profits subject to tax, and irrespective of any other formulae set forth**
8 **in any ordinance enacted, any corporation shall be permitted to utilize the apportionment**
9 **method used to determine its Missouri taxable income pursuant to section 143.451, RSMo.**

143.121. 1. The Missouri adjusted gross income of a resident individual shall be [his]
2 **the taxpayer's** federal adjusted gross income subject to the modifications in this section.

3 2. There shall be added to [his] **the taxpayer's** federal adjusted gross income:

4 (a) The amount of any federal income tax refund received for a prior year which resulted
5 in a Missouri income tax benefit;

6 (b) Interest on certain governmental obligations excluded from federal gross income by
7 Section 103 of the Internal Revenue Code. The previous sentence shall not apply to interest on
8 obligations of the state of Missouri or any of its political subdivisions or authorities and shall not
9 apply to the interest described in subdivision (a) of subsection 3 of this section. The amount
10 added [under] **pursuant to** this paragraph shall be reduced by the amounts applicable to such
11 interest that would have been deductible in computing the taxable income of the taxpayer except
12 only for the application of Section 265 of the Internal Revenue Code. The reduction shall only
13 be made if it is at least five hundred dollars;

14 (c) The amount of any deduction that is included in the computation of federal taxable
15 income [under] **pursuant to** Section 168 of the Internal Revenue Code as amended by the Job
16 Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to
17 property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount
18 deducted exceeds the amount that would have been deductible [under] **pursuant to** Section 168
19 of the Internal Revenue Code of 1986 as in effect on January 1, 2002; and

20 (d) The amount of any deduction that is included in the computation of federal taxable
21 income for net operating loss allowed by Section 172 of the Internal Revenue Code of 1986, as
22 amended, [except for any deduction] **other than the deduction allowed by Section**
23 **172(b)(1)(G) and Section 172(i) of the Internal Revenue Code of 1986, as amended, for a**
24 net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or
25 carries forward for a period [not to exceed] **of more than** twenty years and carries backward for

26 [not] more than two years. **Any amount of net operating loss taken against federal income**
27 **taxes but disallowed against Missouri income taxes pursuant to this paragraph since July**
28 **1, 2002, may be carried forward and taken against any loss on the Missouri income tax**
29 **return for a period of not more than twenty years from the year of the initial loss.**

30 3. There shall be subtracted from [his] **the taxpayer's** federal adjusted gross income the
31 following amounts to the extent included in federal adjusted gross income:

32 (a) Interest or dividends on obligations of the United States and its territories and
33 possessions or of any authority, commission or instrumentality of the United States to the extent
34 exempt from Missouri income taxes [under] **pursuant to** the laws of the United States. The
35 amount subtracted [under] **pursuant to** this paragraph shall be reduced by any interest on
36 indebtedness incurred to carry the described obligations or securities and by any expenses
37 incurred in the production of interest or dividend income described in this paragraph. The
38 reduction in the previous sentence shall only apply to the extent that such expenses including
39 amortizable bond premiums are deducted in determining [his] **the taxpayer's** federal adjusted
40 gross income or included in [his] **the taxpayer's** Missouri itemized deduction. The reduction
41 shall only be made if the expenses total at least five hundred dollars;

42 (b) The portion of any gain, from the sale or other disposition of property having a higher
43 adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax
44 purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is
45 considered a long-term capital gain for federal income tax purposes, the modification shall be
46 limited to one-half of such portion of the gain;

47 (c) The amount necessary to prevent the taxation [under sections 143.011 to 143.996]
48 **pursuant to chapter 143** of any annuity or other amount of income or gain which was properly
49 included in income or gain and was taxed [under] **pursuant to** the laws of Missouri for a taxable
50 year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the
51 taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the
52 taxpayer received the income or gain;

53 (d) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the
54 extent that the same are included in federal adjusted gross income;

55 (e) The amount of any state income tax refund for a prior year which was included in the
56 federal adjusted gross income;

57 (f) The portion of capital gain specified in [subsection 3 of section 144.747] **section**
58 **135.357**, RSMo, that would otherwise be included in federal adjusted gross income; and

59 (g) The amount that would have been deducted in the computation of federal taxable
60 income [under] **pursuant to** Section 168 of the Internal Revenue Code as in effect on January
61 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but

62 before July 1, 2003, and to the extent that amount exceeds the amount actually deducted [under]
63 **pursuant to** Section 168 of the Internal Revenue Code as amended by the Job Creation and
64 Worker Assistance Act of 2002.

65 4. There shall be added to or subtracted from [his] **the taxpayer's** federal adjusted gross
66 income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

67 5. There shall be added to or subtracted from [his] **the taxpayer's** federal adjusted gross
68 income the modifications provided in section 143.411.

143.124. 1. Other provisions of law to the contrary notwithstanding, the total amount
2 of all annuities, pensions, or retirement allowances above the amount of six thousand dollars
3 annually provided by any law of this state, the United States, or any other state to any person
4 except as provided in subsection 4 of this section, shall be subject to tax pursuant to the
5 provisions of this chapter, in the same manner, to the same extent and under the same conditions
6 as any other taxable income received by the person receiving it. For purposes of this section,
7 annuity, pension, or retirement allowance shall be defined as an annuity, pension or retirement
8 allowance provided by the United States, this state, any other state or any political subdivision
9 or agency or institution of this or any other state. For all tax years beginning on or after January
10 1, 1998, for purposes of this section, annuity, pension or retirement allowance shall be defined
11 to include 401(k) plans, deferred compensation plans, self-employed retirement plans, also
12 known as Keogh plans, annuities from a defined pension plan and individual retirement
13 arrangements, also known as IRAs, as described in the Internal Revenue Code, but not including
14 Roth IRAs, as well as an annuity, pension or retirement allowance provided by the United States,
15 this state, any other state or any political subdivision or agency or institution of this or any other
16 state. An individual taxpayer shall only be allowed a maximum deduction of six thousand
17 dollars pursuant to this section. Taxpayers filing combined returns shall only be allowed a
18 maximum deduction of six thousand dollars for each taxpayer on the combined return.

19 2. For the period beginning July 1, 1989, and ending December 31, 1989, there shall be
20 subtracted from Missouri adjusted gross income for that period, determined pursuant to section
21 143.121, the first three thousand dollars of retirement benefits received by each taxpayer:

22 (1) If the taxpayer's filing status is single, head of household or qualifying widow(er) and
23 the taxpayer's Missouri adjusted gross income is less than twelve thousand five hundred dollars;
24 or

25 (2) If the taxpayer's filing status is married filing combined and their combined Missouri
26 adjusted gross income is less than sixteen thousand dollars; or

27 (3) If the taxpayer's filing status is married filing separately and the taxpayer's Missouri
28 adjusted gross income is less than eight thousand dollars.

29 3. For the tax years beginning on or after January 1, 1990, there shall be subtracted from

30 Missouri adjusted gross income, determined pursuant to section 143.121, a maximum of the first
31 six thousand dollars of retirement benefits received by each taxpayer from sources other than
32 privately funded sources, and for tax years beginning on or after January 1, 1998, there shall be
33 subtracted from Missouri adjusted gross income, determined pursuant to section 143.121, a
34 maximum of the first one thousand dollars of any retirement allowance received from any
35 privately funded source for tax years beginning on or after January 1, 1998, but before January
36 1, 1999, and a maximum of the first three thousand dollars of any retirement allowance received
37 from any privately funded source for tax years beginning on or after January 1, 1999, but before
38 January 1, 2000, and a maximum of the first four thousand dollars of any retirement allowance
39 received from any privately funded source for tax years beginning on or after January 1, 2000,
40 but before January 1, 2001, and a maximum of the first five thousand dollars of any retirement
41 allowance received from any privately funded source for tax years beginning on or after January
42 1, 2001, but before January 1, 2002, and a maximum of the first six thousand dollars of any
43 retirement allowance received from any privately funded sources for tax years beginning on or
44 after January 1, 2002. A taxpayer shall be entitled to the maximum exemption provided by this
45 subsection:

46 (1) If the taxpayer's filing status is single, head of household or qualifying widow(er) and
47 the taxpayer's Missouri adjusted gross income is less than twenty-five thousand dollars; or

48 (2) If the taxpayer's filing status is married filing combined and their combined Missouri
49 adjusted gross income is less than thirty-two thousand dollars; or

50 (3) If the taxpayer's filing status is married filing separately and the taxpayer's Missouri
51 adjusted gross income is less than sixteen thousand dollars.

52 4. If a taxpayer's adjusted gross income exceeds the adjusted gross income ceiling for
53 such taxpayer's filing status, as provided in subdivisions (1), (2) and (3) of subsection 3 of this
54 section, such taxpayer shall be entitled to an exemption equal to the greater of zero or the
55 maximum exemption provided in subsection 3 of this section reduced by one dollar for every
56 dollar such taxpayer's income exceeds the ceiling for his or her filing status.

57 5. For purposes of this section, any Social Security benefits otherwise included in
58 Missouri adjusted gross income shall be subtracted; but Social Security benefits shall not be
59 subtracted for purposes of other computations pursuant to this chapter, and are not to be
60 considered as retirement benefits for purposes of this section.

61 6. The provisions of subdivisions (1) and (2) of subsection 3 of this section shall apply
62 during all tax years in which the federal Internal Revenue Code provides exemption levels for
63 calculation of the taxability of Social Security benefits that are the same as the levels in
64 subdivisions (1) and (2) of subsection 3 of this section. If the exemption levels for the
65 calculation of the taxability of Social Security benefits are adjusted by applicable federal law or

66 regulation, the exemption levels in subdivisions (1) and (2) of subsection 3 of this section shall
67 be accordingly adjusted to the same exemption levels.

68 7. The portion of a taxpayer's lump sum distribution from an annuity or other retirement
69 plan not otherwise included in Missouri adjusted gross income as calculated pursuant to this
70 chapter, but subject to taxation under Internal Revenue Code Section 402 shall be taxed in an
71 amount equal to ten percent of the taxpayer's federal liability on such distribution for the same
72 tax year.

73 8. For purposes of this section, retirement benefits received shall not include any
74 withdrawals from qualified retirement plans which are subsequently rolled over into another
75 retirement plan.

76 9. The exemptions provided for in this section shall not affect the calculation of the
77 income to be used to determine the property tax credit provided in sections 135.010 to 135.035,
78 RSMo.

79 **10. The exemptions provided for in this section shall apply to any annuity, pension,**
80 **or retirement allowance as defined in subsection 1 of this section to the extent that such**
81 **amounts are included in the taxpayer's federal adjusted gross income and not otherwise**
82 **deducted from the taxpayer's federal adjusted gross income in the calculation of Missouri**
83 **taxable income. This subsection shall not apply to any individual who qualifies under**
84 **federal guidelines to be one hundred percent disabled.**

143.181. 1. The Missouri nonresident adjusted gross income shall be that part of the
2 nonresident individual's federal adjusted gross income derived from sources within Missouri, as
3 modified in the same manner as set forth in section 143.121 with respect to resident individuals.
4 It shall be the sum of:

48 regulations to be prescribed by the director of revenue.

49 5. If a business, trade, profession, or occupation is carried on partly within and partly
50 without this state, the items of income and deduction derived from or connected with sources
